

www.bluefaery.org

Founded in 2002, Blue Faery's mission is to prevent, treat and cure primary liver cancer, specifically Hepatocellular Carcinoma, through research, education and advocacy. Our free patient education brochure is currently distributed in 23 hospitals in 10 different states and has been translated into Spanish and Chinese.

For more information, contact **Sherri Rose**, chair of our Medical Research committee at sherri@bluefaery.org

OR

Visit us at **Booth #623** to pick up brochures for your treatment center

I thank you for your insightful brochures ... it is my hope that by having the brochure available, we can save more lives.

— Dr. Yun Yen,
City of Hope National
Medical Center
